

DIAMOND TABLE DINING TABLE

The **DIAMOND** Table Collection features a strikingly modern base and top design. The sculptural table legs show unexpected angled surfaces. The slender, airy top edges can be handcrafted with the new "Diamond chamfered corners" or with the classic thin knife bevelling all over.

Tables available in rectangular, square or round shape

Wood base legs in multiple veneers or varnished in any available metallic finishes.

Top in any available natural stone finish with "Diamond chamfered corners" or boat shape.
