

STILO RECTANGULAR DINING TABLE

The Stilo collection is inspired to an iconic design of contemporary furniture: the Parson table, created by Jean-Michel Frank in the '30s. This modernist table features four legs (square in cross-section), flush with the edges of the top, and equal to it in thickness. Today is enriched by a superb decorative trim placed just under the marble top and enhanced by a contrasting metal finish.

Tables with metal base in satin steel (SS) or dark grey (DG).

Top in any available natural stone finish with thin edge or boxed edge.
